#### 1. INTRODUCTION

- 1.1 Rochdale Borough Safeguarding Adults Board (RBSAB) is an un-incorporated Multi-Agency Strategic Board, originally established to fulfil the statutory functions as set out by under section 43 schedule 2 Care Act 2014
- 1.2 The vision of the Board is that in Rochdale, people are able to live a life free from harm and where communities have a culture that does not tolerate abuse, work together to prevent abuse and know what to do when abuse happens.
- 1.3 The mission of the Board is to ensure there is strong strategic leadership to safeguard Adults at Risk in Rochdale and that preventing, detecting and reporting neglect and abuse is 'everyone's business'. This will be achieved by the continued development of Safeguarding policy and practice across all partner agencies and communities consistent with the Care Act 2014 and other National Policy and 'best practice' guidance.
- 1.4 Safeguarding requires collaboration between partners in order to create a framework of interagency arrangements. Local authorities and their relevant partners must collaborate and work together as set out in the co-operation duties in the Care Act and, in doing so, must, where appropriate, also consider the wishes and feelings of the adult on whose behalf they are working.

#### 2. PURPOSE AND CORE DUTIES

- 2.1 The RBSAB has a strategic role that is greater than the sum of the operational duties of the core partners. It oversees and leads adult safeguarding across the Borough and will be interested in a range of matters that contribute to the prevention of abuse and neglect. These will include the safety of patients in its local health services, quality of local care and support services, effectiveness of prisons and approved premises in safeguarding offenders and awareness and responsiveness of further education services. It is important that RBSAB partners feel able to challenge each other and other organisations where it believes that their actions or inactions are increasing the risk of abuse or neglect. This will include commissioners, as well as providers of services.
- 2.2 The RBSAB will be an important source of advice and assistance, for example in helping others improve their safeguarding mechanisms. It is important that the RBSAB has effective links with other key partnerships in the locality and shares relevant information and work plans. They should consciously cooperate to reduce any duplication and maximise any efficiency, particularly as objectives and membership are likely to overlap.
- 2.3 The RBSAB has three core duties:
  - to publish a strategic plan for each financial year that sets how we will meet our main objectives and what our members will do to achieve this;
  - to publish an annual report which sets out how the RBSAB has worked to achieve the objectives described within its Strategic Plan; details of any Safeguarding Adults Reviews

- (SARs) which are ongoing or have concluded in the past year, and what work has taken place to implement recommendations from those reviews; the performance of member agencies and how effective partnership working is in safeguarding adults in Rochdale;
- conduct any Safeguarding Adults Review in accordance with Section 44 of the Care Act 2014.
- 2.4 The Care Act 2014 sets out the RBSAB functions as follows:
  - developing strategies for the prevention of abuse and neglect:
  - holding partners to account and gain assurance of the effectiveness of its arrangements;
  - determining arrangements for peer review and self-audit;
  - establishing mechanisms for developing policies and strategies for protecting adults which should be formulated, not only in collaboration and consultation with all relevant agencies but also take account of the views of adults who have needs for care and support, their families, advocates and carer representatives;
  - identifying types of circumstances giving grounds for concern and when they should be considered as a referral to the local authority as an enquiry;
  - formulating guidance about the arrangements for managing adult safeguarding, and dealing with complaints, grievances, professional and administrative malpractice in relation to safeguarding adults;
  - developing strategies to deal with the impact of issues of race, ethnicity, religion, gender and gender orientation, sexual orientation, age, disadvantage and disability on abuse and neglect;
  - identifying mechanisms for monitoring and reviewing the implementation and impact of policy and training;
  - evidencing how SAB members have challenged one another and held other boards to account;
  - promoting multi-agency training and to consider any specialist training that may be required;
  - considering any scope to jointly commission some training with other partnerships, such as the Community Safety Partnership;
  - identifying the role, responsibility, authority and accountability with regard to the action each agency and professional group should take to ensure the protection of adults;
  - establishing ways of analysing and interrogating data on safeguarding notifications that increase the Board's understanding of prevalence of abuse and neglect locally that builds up a picture;
  - agreeing a framework and process for any organisation under the umbrella of the Board to respond to allegations and issues of concern that are raised about a person who may have harmed or who may pose a risk to adults.

#### 3. MAKING SAFEGUARDING PERSONAL

3.1 To deliver their role effectively, Safeguarding Adults Boards should develop and promote a culture that recognises the underpinning principles from Making Safeguarding Personal (which draw heavily on the principles from the Care Act 2014). RBSAB will do this using the principles as set out in Appendix below.

#### 4. MEMBERSHIP

- 4.1 As set out in schedule 2 of the Care Act, the following are statutory members of the RBSAB:
  - Rochdale Borough Council Director of Adult Social Services (DASS);
  - The NHS ICB (HMR) Associate Director of Nursing, Quality, Safety and Safeguarding (ADQ);
  - Greater Manchester Police District Commander.
- 4.2 In addition to the statutory members the following organisations shall be member agencies:
  - Adult Social Care;
  - ICB (HMR);
  - Greater Manchester Police;
  - Providers of health services including acute, community and mental health provision operating in Rochdale;
  - GM Fire and Rescue Service:
  - Commissioners of health and social care services:
  - Rochdale Borough Safeguarding Children Partnership;
  - Elected Member;
  - Rochdale Safer Communities Partnership;
  - Voluntary and private sector agencies;
  - The Probation Service;
  - Advocacy services;
  - Healthwatch:
  - The Prison Service:
  - RBC Strategic Housing.
- 4.3 Where there are multiple organisations, they may decide to share representative attendance at meetings. Organisations pooling representation in this way need to agree how they will be consulted and how their views will be fed into RBSAB discussions. These arrangements should be agreed by the Independent Chair and reviewed as necessary.
- 4.4 Each member will have the responsibility for ensuring that an appropriate representative is identified to deputise on the RBSAB. Board members must ensure that their nominated deputies have the required skills, experience and authority to act on their behalf.
- 4.5 Decision making members of the RBSAB will operate according to the governance arrangements of their organisation. Most decisions that the RBSAB needs to make can be made with the delegated authority that Members hold on behalf of their agencies.
- 4.6 Wherever possible, decisions will be made by consensus. Where the Independent Chair determines that members cannot reach consensus, they will require the three statutory partners to vote on the issue, one vote for each organisation. Voting may take place outside of scheduled Board meetings if an urgent decision is required and the final decision will be communicated to the wider membership.
- 4.7 RBSAB may also secure the involvement of other relevant organisations, either by inviting them to be representatives of subgroups or through invitation for specific issues for discussion at a

#### 4.8 All members will review the MOU

#### 5. BOARD MEMBERS' ROLES AND RESPONSIBILITIES

- 5.1 Board members have the following roles and responsibilities:
  - members should have the authority to speak on behalf of their organisation to represent its views and various duties and have a responsibility to contribute positively to the work of the Board;
  - the RBSAB member will be expected to attend the board meetings and any relevant subgroups of the Board and if unable to attend will identify a suitably senior deputy with decision-making capacity;
  - the suitable senior deputy's decision making capacity needs to include authority to commit their organisation to a range of actions, including change/improvement to policy, practice and training some of which may have resource implications?
  - it will be the responsibility of each member to cascade relevant information from the Board within their agency/organisation/networks and to provide feedback from their agency with regard to organisational safeguarding activity to the Board;
  - members will ensure that any issue requiring consideration by the Safeguarding Adults Review (SAR) subgroup, (as per Procedure for Review of Safeguarding Adults Review cases) will be brought to the attention of the RBSAB Chair as soon as is reasonably practicable;
  - in the event of a member no longer representing their agency, reasonable notice should be given to the Chair so that a replacement can be sourced;
  - members will agree to develop their knowledge and understanding of safeguarding in order to keep up to date and to share this expertise within the Board and their own organisations;
  - Board Members have a duty of candour, exercised by proactively bringing matters of high risk to the attention of the Board at the earliest opportunity;
  - members will ensure that findings from Safeguarding Adults Reviews and lessons learned are appropriately cascaded and embedded through their organisations and in particular that agreed policies, procedures and findings from all Safeguarding Adults Reviews are appropriately cascaded through their organisations;
  - members will be encouraged to take part in RBSAB assurance and effectiveness through:
  - year 1 Adult Self-assessment;
  - year 2 Effectiveness of SAB survey;
  - RBSAB will regularly review membership to ensure that it continues to reflect organisations
    that have a key role in safeguarding across Borough and that the voices of people who use
    services are reflected in discussions/decision making.

#### 6. MONITORING OF ATTENDANCE

6.1 Attendance at meetings is recorded and reported via the annual report. In the event of any member's persistent non-attendance, the Chair will write to the Chief Executive of the organisation concerned to bring this to their attention.

#### 7. PROCEDURES

- 7.1 The full Board will meet at least five times per year and for at least one further meeting designated as a development day for the Board. Additional meetings may be held for particular purposes at the discretion of the Chair.
- 7.2 The full Board will be chaired by the Independent Chair who will agree the agenda.
- 7.3 A meeting of the RBSAB requires at least the three statutory members and three other agencies to be quorate. No decisions can be made without the meeting being quorate.
- 7.4 The minutes of RBSAB meetings along with any meetings held on its behalf will be entered as a permanent record.
- 7.5 The meetings of the RBSAB will not be held in public, however, minutes of Board meetings will be shared with all representatives. Where the Independent Chair, Statutory Partners or another member of the Board has agreed to take action on behalf of RBSAB on matters of urgency, this will be reported at the next scheduled meeting of the Board, such action to be reported to the next meeting of the Board.
- 7.6 Where the Board has authorised the signature of a document, the Independent Chair and Statutory Partners may be authorised to act as signatories for the Board.
- 7.7 In all matters pertaining to the receipt and expenditure of money by or on behalf of the Board, the Statutory Partners and those authorised to act on its behalf, will provide details to the full Board for transparency and audit purposes.

#### 8. ROLE OF INDEPENDENT CHAIR

- 8.1 In order to provide effective scrutiny, the Board must be independent. It is not subordinate to, nor subsumed within, other local structures. The Board has an independent chair who can hold all agencies to account for their Safeguarding practice.
- 8.2 It is the responsibility of the Chief Executive of the LA to appoint or remove the RBSAB chair with the agreement of Board members. The Chief Executive, drawing on other RBSAB partners and, where appropriate, the Lead Member will hold the Chair to account for the effective working of the RBSAB.

#### 9. STRUCTURE

9.1 The RBSAB has three sub-groups which will meet five times a year, usually in advance of the RBSAB meeting, all the relevant safeguarding partner agencies of the RBSAB forum are represented on RBSAB subgroups and working groups. These groups assist and inform the Safeguarding Board in carrying out essential safeguarding work. Relevant agencies are those

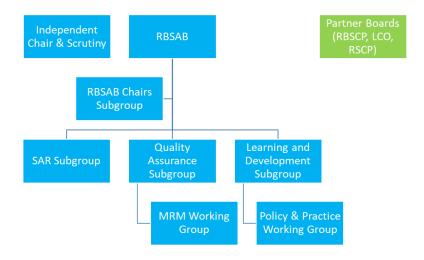

organisations and agencies whose involvement the safeguarding partners consider is required to safeguard and promote the welfare of adults as defined by the Care Act 2014 and the SCIE guidance for Safeguarding Adult Boards.

Each subgroup underpins and support the RBSAB Priorities and Objectives by:

- creating a more strategic focus for the RBSAB;
- ensuring that the RBSAB and subgroups have the fullest opportunity to share progress and learning and to inform the Board of strategic issues they need to address;
- providing specialist support and guidance to chairs of subgroups and 'task and finish' groups which enable progress to areas of focus to help ensure that outputs are delivered in a timely way;
- providing specialist advice, for example: in respect of working with specific ethnic and cultural groups, or with disabled parents;
- supporting the arrangements which bring strategic leads from the relevant safeguarding partners together to drive forward these arrangements;
- promoting best multi-agency practice to improve outcomes for the people in the Borough
- carrying out specific tasks, for example: maintaining and updating procedures and protocols; screening and overseeing Safeguarding Adult Reviews; and identifying inter-agency training needs;
- bringing together representatives of a sector to discuss relevant issues and to provide a contribution from that sector to RBSAB work
- focussing on defined geographical areas within the RBSAB boundaries;
- providing support to the work of the independent chair and ensure that findings from scrutiny activity are fed into the safeguarding effectiveness subgroup.

The subgroup chairs will be required to provide a quarterly report see appendix below.

The RBSAB sub group structure is below:

1. Quality Assurance Subgroup – its purpose is to identify, develop and ultimately seek assurance of membership safeguarding quality systems. The aim of the quality systems are to ensure RBSAB under-stand and are assured on the effectiveness of local multi-agency safeguarding including identifying trends and emerging issues.
The Chair of this group is the strategic Advisor for Adult Social Care.

**MRM working group** - its purpose is to ensure and review the effectiveness of the MRM protocol and to support all agencies' engagement with the process. The MRM Executive Group will provide a supportive mechanism to ensure that cases open to the MRM protocol progress effectively in line with process and assist with reviewing and resolving any barriers to services identified through discussion at the MRM Panel.

2. Learning and Development Subgroup - its purpose is to provide leadership for the multi-agency safeguarding training offer and gather assurance on behalf of the Board to ensure that safeguarding training, both multi-agency and single agency offer in the borough assists practitioners to deliver effective services to vulnerable adults.
The chair of this subgroup is the Designated Professional for the NHS ICB (HMR).

**Policy & Procedure working group** – its purpose is to ensure that multi-agency policy and procedures are accurate, regularly updated, relevant and meet legislative requirements, and to ensure they promote good practice across all partner agencies.

- 3. The Safeguarding Adult Review (SAR) Subgroup the main purpose of the group is to enable and support the Rochdale Borough Safeguarding Adult Board to undertake statutory reviews in line with criteria set out within the Care Act 2014. The group also provides a mechanism for the Safeguarding Adult Board to ensure that learning from reviews is embedded into practice to improve outcomes for individuals and their families, and supports the strategic direction of the Safeguarding Adult Board Business Plan. The sub group also communicates learning gained with children, families and practitioners and ensures engagement with communications is effective. The chair of this subgroup is the Detective Superintendent of GMP (P Division).
- 4. The RBSAB Chairs meeting this group is comprised of the Chair of each of the subgroups and the Independent Chair of the Board. The group meets before each full board meeting, to share safeguarding update and developments from across the system and the subgroups in preparing the agenda for the meetings.

#### 10. PROFESSIONAL ADVISERS

- 10.1 Professional advisers will advise the RBSAB. These will include:
  - Strategic Advisors of the Statutory Partners:
    - Strategic Safeguarding Lead and Principal Social Worker ASC;
    - Designated Professional ICB (HMR); and
    - Detective Superintendent GMP;
  - RBSAB Business Manager;
  - others as necessary.

#### 11. STRATEGIC PLAN

- 11.1 The RBSAB will publish a Strategic Plan at least annually and a Business Plan for each financial year setting out:
  - its strategy for achieving its objectives;
  - what each member/group will do to implement Business Plan activities;
  - how outcomes will be measured.
- 11.2 In preparing this plan, the RBSAB must:
  - consult the member organisation for its area, and
  - in so far as it is feasible to do so, involve (whether by consultation or otherwise) the community in its area;
  - complement with a risk register;
  - undertake detailed oversight of the Strategic Plan, Annual Action Plan and Risk Register.

#### 12. ANNUAL REPORT

- 12.1 At the end of each financial year, the RBSAB must publish a report, in accordance with national statutory guidance, setting out the effectiveness of safeguarding and promoting of the welfare of adults at risk in its area.
- 12.2 The report will provide a rigorous and transparent assessment of the performance and effectiveness of local services. It will identify areas of weakness, their causes, and the action to be taken to address them as well as other proposals for action.

The report will include lessons from reviews undertaken within the reporting period and sections that deal with the following matters:

- what the Board and its individual members have done during that year to achieve its objectives;
- what it has done during that year to implement its strategy;

- what each member has done during that year to implement the strategy;
- the findings of the Safeguarding Adults Reviews (SARs) arranged by RBSAB and which have concluded in that year (whether or not they began in that year);
- the reviews arranged by it under that section which are on-going at the end of that year (whether or not they began in that year);
- what the Board has done to act upon the findings of SARs and, where it has decided not to act on a finding, to set out the reasons for this decision;
- monitoring board attendance;
- assessment of local performance against objectives and effectiveness;
- how the Board is monitoring progress against its policies and intentions to deliver.
- 12.3 The RBSAB will share the report with:
  - the Director of ASC / The Health, School and Care Overview & Scrutiny Committee;
  - the District Commander of GMP / The Crime and Vulnerability Board;
  - the Associated Director of the ICB (HMR) / The Local Care Organisation.
- 12.4 The RBSAB will send a copy of the Annual Report to all RBSAB members and publish it on the Rochdale Safeguarding Website.

#### 13. FINANCES

- 13.1 The funding of the RBSAB will be derived from three main sources below, The RBSAB budget will be set annually in conjunction with the income received with expenditure reported in the Annual Report.
  - The Local Authority (ASC);
  - The NHS ICB (HMR);
  - GMP (GMCA).
- 13.2 The Budget will be agreed annually by the Statutory Partners to a level sufficient to meet the agreed commitments, responsibilities, duties and objectives of the RBSAB.
- 13.3 The financial year will run from April to March the following year with contributing partners being invoiced by 1 October each year.
- 13.4 The RBSB Business Manager, on behalf of RBSAB, will administer the full budget. Agreement of the funding agencies will be sought on how any committed carry forward is managed. Similarly, if an overspend occurs the funding agencies will decide how any projected overspend should be managed. Regular independent audits of the budget along with any exceptions will be reported to the statutory partners, which will remain responsible for all decisions in relation to the budget.
- 13.5 The financial support of the RBSAB shall be reviewed each financial year. The RBSAB should be maintained financially by its statutory partners.

#### 14. ESCALATION AND DISPUTE RESOLUTION

- 14.1 If there is a dispute between RBSAB members, the following escalation procedures will be followed:
  - within 28 days of the Board determining that a dispute exists, the RBSAB Chair, in consultation with the Executive Director of Adult Social Services will convene a joint meeting of the parties in dispute. This should take place as soon as is reasonably practicable but within three months. In most cases the Chair of RBSAB will chair the meeting. The agenda will be agreed jointly by the Chair and the parties in dispute. The aim of this meeting is for both parties to agree a formula for resolving the dispute or agree the issues that separate them and possible ways forward (see appendix);
  - where there is no agreement, either party may suggest to the Chair that an
    independent mediator be appointed to resolve the dispute; this course of action
    requires the agreement of the partners. If they cannot agree this within 28 days
    the RBSAB Chair, in consultation and agreement with the Chief Executive of
    Rochdale Council may refer the dispute to the Chartered Institute for Arbitrators
    to be resolved;
  - if there is a dispute between an RBSAB partner and the Chair, similar dispute resolution procedures will be followed. The Chief Executive of Rochdale Council, with the agreement of the Board, will convene a joint meeting of the parties in dispute within the same timescales and with the same aims as set out above. Where there is no agreement, either party may suggest to the Chief Executive of Rochdale Council that an independent mediator be appointed. If the partners cannot agree this within 28 days the Chief Executive of Rochdale Council in consultation with the local authority Director of Human Resources may refer the dispute to the Chartered Institute for Arbitrators to be resolved.

#### 15. ISA, DATA PROTECTION AND FREEDOM OF INFORMATION ACT

- 15.1 The RBSAB may request a person to supply information to it or to another person. The person who receives the request must provide the information provided to the Board if:
  - the request is made in order to enable or assist the Board to deliver its statutory duties;
  - the request is made of a person who is likely to have relevant information and then either:
    - the information requested relates to the person to whom the request is made and their functions or activities or;
    - the information requested has already been supplied to another person subject to a Board request for information;
- 15.2 The Board members shall adhere to their own internal procedures in relation to the exchange of information and where they exist will comply with the provisions of any data sharing agreements.

15.3 For the avoidance of doubt, Safeguarding Adults Boards are not organisations to which the Freedom of Information Act applies. Requests for information will be referred back to individual participating organisations. It should be noted that the Information Commissioners Office has previously concluded (FS50368110, FS50628708) that where it is stated in a review's terms of reference that information provided by agencies is owned by a safeguarding board, there is no requirement under the Freedom of Information Act 2000 to provide this information to the third party. This is because safeguarding boards are statutory bodies and not public bodies however; this does not mean that the request should always be refused, see appendix below.

#### 16. **CONFIDENTIALITY**

- 16.1 RBSAB member agencies have drawn up a common agreement relating to confidentiality and setting out the principles governing the sharing of information, based on the welfare of the adult or of other potentially affected adults. The agreement is consistent with the principles set out in the Caldicott Review published 2013 and ensures that:
  - information will only be shared on a 'need to know' basis when it is in the interests of the adult;
  - confidentiality must not be confused with secrecy;
  - informed consent should be obtained but, if this is not possible and other adults are at risk of abuse or neglect, it may be necessary to override the requirement; and
  - it is inappropriate for agencies to give assurances of absolute confidentiality in cases where there are concerns about abuse, particularly in those situations when other adults may be at risk.
- 16.2 Ownership of any information provided as part of a Safeguarding Adult Review will lie with the RBSAB and this will be stated in the terms of reference. If a request for this information is subsequently made by a third party, there should be a discussion between the agency who provided the information and the Independent Chair to agree if the information should be shared.
- 16.3 Sharing information with the Coroner. There is an information sharing protocol to outline expectations relating to sharing Safeguarding Adult Reviews with the HM Senior Coroner for Manchester North available on <a href="https://rochdalesafeguarding.com/">https://rochdalesafeguarding.com/</a>

#### 17. REVIEW

- 17.1 The constitution will be amended to reflect relevant changes in legal requirements, Board structure or governance.
- 17.2 The RBSAB constitution shall only be amended with agreement of the RBSAB.

#### 18. DECLARATION OF INTEREST

- 18.1 Declarations of interest need to be stated where an individual's personal, financial, professional, or family interests may be significant to an item on the agenda of the RBSAB.
- 18.2 At the commencement of meetings members will be asked to declare potential conflicts of interest in any aspect of the agenda. The Chair, at his/her discretion, may ask the individual to leave the meeting for the whole or part of the relevant agenda matter.
- 18.3 Representing their organisation does not need to be declared unless there may be significant interests for their organisation involved in an item, which would not be known to other partners.

## Rochdale Borough Safeguarding Adults Board – Memorandum of Understanding

This Memorandum of Understanding makes explicit the key responsibilities and accountabilities for all members of the Rochdale Borough Safeguarding Adult Board (RBSAB). All members of the RBSAB have agreed the Constitution for Rochdale

#### **Our commitment**

RBSAB members together with partners of other organisations working with the residents and families within Rochdale have a duty to work together to safeguard and promote the welfare of adults. We are committed to listening to the voices of adults and their families and ensuring that their views are at the heart of our decision-making, planning, commissioning, design and delivery of services.

#### As members of RBSAB we will:

- collaborate with each other within the Board to achieve the key objectives of the Constitution;
- adopt a positive outlook, behave in a professional and respectful manner, and be committed to partnership working;
- > be transparent, communicate openly, challenging as necessary with regard to all RBSAB business;
- > ensure appropriately qualified, skilled and experienced professionals are available, authorized and engaged to fulfil the responsibilities as set out in the Constitution:
- > share information, experience, skills and resources to learn from each other and develop effective working practices, working together to identify solutions, eliminate duplication of effort, mitigate risk and reduce cost;
- resolve any difference in a professional and timely manner;
- adhere to statutory requirements being compliant with applicable legislation and standards, data protection and freedom of information legislation. In particular Partners agree to comply with requirements of the Information Sharing Agreement in place for RBSAB;

RBSAB Statutory Partners will make agreed financial contribution to RBSAB

#### **RBSAB Subgroup quarterly report.**

Subgroup Chairs within the RBSAB structure are responsible for reporting to the SAB and Independent Chair with regards to activity and the effectiveness of subgroup actions. This must be provided on a minimum quarterly basis. Quarterly report information will be utilised to inform the RBSAB Annual report.

Subgroup Chairs should utilise subgroup membership and the RBSB Business Unit when completing quarterly report.

#### **Effective Challenge and Resolving Professional Differences**

Effective partnership working is vital in order to ensure that outcomes for adults are central to all assessment, planning and intervention. This includes the need to consider differing views and experiences which evidence the value of exchanging ideas and developing critical thinking in regards to how best to achieve improved outcomes. There will be times when disagreements occurred and require informal and possible lead to formal escalation. There needs to be a clear process in place to achieve and evidence this.

#### Principles in practice:

- Challenge is positive and should always be focused on the desired outcome for the adult at risk of abuse or neglect.
- The safety and wellbeing of the adult is always paramount.
- It is the responsibility of each individual professional and agency to progress challenge if they are not in agreement with the outcome of any aspect of assessment, planning or intervention (any level of need and support)
- Challenge should be restorative and relationship based.
   Language should therefore be respectful and where possible discussions with the relevant practitioners should take place first.
- Challenge and escalation should be resolved in a timely manner.
- Challenge must be evidenced based and recorded on the adult's file, including details or how the resolution improved outcomes for the adult.

Ensure your safeguarding lead is consulted with throughout the escalation process. Please attempt to resolve any disagreements informally, before initiating the formal process.

Go straight to stage 3-4 if resolution requires this level of response.

#### Practitioner – Practitioner

Disagreement raised by practitioner either in writing or verbally (it is the preference to undertake this verbally so all viewpoints can be understood). Attempt to resolve as soon as possible. Inform the Lead Professional/ Chair at this stage.

#### **Line Manager – Line Manager**

Escalate to your line manager. Your line manager should contact their equivalent in the other agency.

#### **Formal Escalation**

If stage 2 does not resolve the disagreement this should be escalated to next level of management in the organisation or the appropriate Safeguarding Lead. Should any organisation wish to keep a written record of the escalation process then the RBSAB Resolution Notice (Appendix 1) should be used.

Formal escalation should proceed through the management hierarchies of the involved agencies.

### Rochdale Borough Safeguarding Adults Board

If the disagreement cannot be resolved between the agency senior management or between Safeguarding Leads in a timescale paramount to the outcome for the adult, the matter will be formally referred to the Safeguarding Adults Board by the senior manager or Safeguarding Lead.

The RBSAB will utilise the role of the appropriate Board member to achieve resolution.

#### Timescales

Stage 1

Stage 2

Stage 3

Discuss with your designated lead for safeguarding at each stage. Timescales should be agreed at each stage, ensuring the outcome for the adult is dictating the agreed timescales. Each stage should not exceed 10 working days.

A clear record should be kept by everyone at all stages

Stage 4

This Data Sharing Agreement also covers statutory and voluntary services directly commissioned by the above lead Safeguarding Partners such as acute hospital trusts, GPs, Turning Point, etc.

#### 2. Commencement, Termination and Review

This agreement will be reviewed every 24 months unless an earlier review is necessary. The start date for this agreement is at the point of agreement.

#### 3. Memorandum of Understanding

The parties to this Data Sharing Agreement (DSA) are signatories to this Memorandum of Understanding. The Parties acknowledge that they are <u>Joint Data Controllers</u> (as defined in the GDPR). The Memorandum of Understanding sets out the principles of Information Governance that all organisations who provide, access and use information have agreed to. It provides a framework for safeguarding the processing of data and information as defined by the Data Protection Act 2018 and General Data Protection Regulation (GDPR).

#### **General Principles**

- All signatories to the agreement agree to process personal information in accordance with their organisation's information governance policies and procedures, or as directed by the standards applicable to the information being processed.
- 2. Organisations are expected to identify and use appropriate information assurance frameworks and will commit to complying with relevant standards within that regime and sharing the evidence attainment and any associated action plans on request to the other parties to the agreement.
- Each organisation shall have appointed a responsible / accountable officer who will ensure the protection of personal information, for example a Caldicott Guardian, Data Protection Officer or Senior Manager responsible for data protection.
- 4. Each organisation will take appropriate organisational and technical measures towards compliance with the Data Protection Act 2018, Caldicott Principles (where applicable), Information Security Standards, Freedom of Information Act 2000 (where applicable) and national guidance and rules around the processing of personal, confidential information and other relevant legislation.
- 5. Each organisation is committed to risk assessing and documenting their processing activities and identifying any actions required to mitigate identified risk.
- 6. Each organisation is committed to ensuring that staff are appropriately trained and comply with organisational policies in relation to Information Governance, including Data Protection, Confidentiality, Caldicott Principles (where applicable), Data Security, Records Management and Freedom of Information (where applicable).
- 7. Organisations will promptly notify other partner organisations of any Information Governance Breach, vulnerability or threat that could affect the security of the data being shared within 24 hours of becoming aware of it.
- 8. This agreement should be considered in conjunction the statutory requirements placed on organisations for data sharing under Section 42 and Section 44 of the Care Act 2014 and organisations will agree to allow partner or lead organisations to carry out audits or visits to confirm compliance with the agreed assurance requirements.
- 9. Each organisation commits to ensure that data is shared in a safe and secure manner meeting the agreed purpose of the sharing and protecting the rights and freedoms of individuals.
- 10. Any requests for information under the Freedom of information Act 2000 or Data Protection Act 2018 should be directed to the original organisations senior responsible officer.
- 11. Organisations may not create or establish onward sharing for additional purposes without having a lawful basis to do so and the agreement of the original data controller.

#### 4. Why is this Data Sharing Agreement needed?

Organisations need to share safeguarding information to:

- prevent death or serious harm
- coordinate effective and efficient responses
- enable early interventions to prevent the escalation of risk
- prevent abuse and harm that may increase the need for care and support
- maintain and improve good practice in safeguarding adults and families
- reveal patterns of abuse that were previously undetected and that could identify others at risk of abuse
- help people to access the right kind of support to reduce risk and promote wellbeing
- help identify people who may pose a risk to others and, where possible, work to reduce offending behaviour
- reduce organisational risk and protect reputation.

#### 5. Purpose and Justification for Sharing Purpose

The Parties agree to share information only for the specific purpose set out in this document and will not regard it as general intelligence for the further use by the organisations unless that further purpose is defined in this agreement.

This Data Sharing Agreement (DSA) is covered by statutory guidance set out in the <u>Care Act 2014</u> and forms part of the RBSAB's MRM (Multi-Risk Management) arrangements.

Data Sharing Principles: This is a framework for local safeguarding partners to work together to safeguard adults.

This framework respects the right of an adult to have control over information about themselves and wherever possible professionals must explain to the adult the reasons for sharing their information.

The framework applies the principle of sharing the right information, at the right time and with the right people and must only be used to facilitate more accurate and timely decision making where there is an identified safeguarding concern.

Where none of the conditions or circumstances below apply it will be necessary to gain the consent from the adult to share their information with the relevant organisations:

 Where one or more partners have reason to believe that an adult is at risk of death or serious injury as a result of actions/inaction by the adult and/or the actions of others.

- The sharing of information is in the public interest and it outweighs the public interest served by protecting confidentiality – for example where serious harm may be prevented.
- Other people are at risk which may include children or other adults with care and support needs.
- An organisation/practitioner feels that there has not been an appropriate response to a safeguarding concern and information sharing is required as part on the escalation process.
- The risk to the adult and or others is unreasonably high and meets the criteria for a multi-agency risk assessment under the TRAM Protocol's highlevel Complex and Contextual Risk Panel.
- Where a serious crime has been committed.
- Where the person lacks the mental capacity to make the decision this must be properly explored and recorded in line with the <u>Mental Capacity Act</u>

#### 6. Safeguarding Principles for Data Sharing

This Data Sharing Agreement will be applied in line with the RBSAB Safeguarding principles of:

- **Empowerment:** People are supported and encouraged to make their own decisions and provide informed consent where appropriate.
- Prevention: It is better to take action before harm occurs.
- Proportionality: The least intrusive response is used to match the presenting risk.
- **Protection:** Support and representation for those in greatest need.
- Partnership: Local solutions developed through services working with their communities who have a part to play in preventing, detecting and reporting neglect and abuse.
- Accountability: Accountability and transparency in delivering safeguarding.

#### 7. Where Consent to Share Information is Refused

Given that consent will only be sought where none of the conditions or circumstances for sharing without consent listed in section 5 above apply then where consent is requested and refused, information must not be shared.

#### 8. Restrictions on Further Use Disclosure

It is recognised that unless the law specifically requires or permits this, shared information will not be used for different purposes or further disclosed. Even where the law permits further disclosure, in line with good practice, the originating data controller will be consulted first and depending on the circumstances, it may be necessary for the data subject to be informed of the disclosure.

#### 9. Parties Named in this Agreement

The Parties listed below recognise their responsibilities for ensuring this agreement complies with all legislation and other requirements relevant to the personal data being shared, including the specific governance measures set out in this DSA.

Any successor body of an organisation listed will be automatically added as a party the agreement.

#### 11. Information Security and Confidentiality

The RBSAB functions under the framework of Rochdale Borough Council with specific reference to the administration and management of data and systems upon which it relies. Information relating to cases and reviews is held centrally on the Council system which is secured and has limited access.

The Council holds information from all partners and organisations who have provided information under the direction of the RBSAB. This DSA recognises that information sharing decisions should be recorded by the disclosing agency/organisation.

Where an agency/organisation has decided not to share information that has been requested, that agency/organisation will provide a record of the reasons for the decision not to share the information, including the consideration of the safeguarding duty towards the affected individual/s.

## 12. Data Protection Impact Assessment: Lawful Basis for Processing Information Statutory duty / power to share

The legislation and/or regulations providing a mandatory duty or discretionary express or implied power for each of the partners to the agreement to share personal data for the purpose in this agreement include, but are not limited to:

- Data Protection Act 2018
- Care Act 2014
- Mental Capacity Act 2005

and any subsequent updates or amendments to legislation or guidance.

#### **GDPR Legitimising Conditions**

#### The Article 6 conditions relied on for this agreement are:

- (c) Legal obligation: the processing is necessary for you to comply with the law (not including contractual obligations).
- (d) Vital interests: the processing is necessary to protect someone's life.
- (e) Public task: the processing is necessary for you to perform a task in the public interest or for your official functions, and the task or function has a clear basis in law.

#### Where none of the conditions above apply, consent will be sought

(a) Consent: the data subject has given consent to the processing of his or her personal data for one or more specific purposes;

#### The <u>Article 9</u> conditions relied on for this agreement are:

- (b) necessary for the purposes of carrying out the **obligations and rights** of the controller or data subject in the field of employment, social security and social protection law

(a) Consent: the data subject has given consent to the processing of his or her personal data for one or more specific purposes;

#### **Data Protection Act 2018**

- Schedules 1 4
- Law Enforcement Processing Part 3 and Schedule 8.

#### **Informing Individuals**

The privacy notice / amendments relevant to this data sharing arrangement are: Data should only be handled in a way that the data subject would reasonably expect and not used in a way that would have an adverse effect on them. A Privacy Notice has been published on the RBSAB website.

#### Adequacy, relevance, necessity

The following checks have been made regarding the adequacy, relevance and necessity for the collection or sharing of data:

- The GDPR protects the fundamental rights and freedoms of natural persons and in particular their right to the protection of personal data. The processing must represent a reasonable and proportionate way of achieving the purpose.
- Information will be processed (predominantly) on a case by case basis with a decision taken by the providing organisation relating to the information to be shared.
- Organisations should share as much information as is required to address the safeguarding issue.

#### Provisions for the accuracy of the data

The following provisions have been made to ensure information will be kept up to date and checked for accuracy and completeness by all organisations.

The data has already been collected by the safeguarding partners or other relevant agencies as part of their functions. This will include historic data.

On a case by case basis, where required, additional due diligence documentation will be requested by the RBSAB where there is a need to obtain further assurance or clarification on the accuracy of the data.

Adequate initial information will be provided to the providing organisation to ensure that an accurate 'match' can be made.

#### **Retention and disposal requirements**

The following arrangements have been made to manage retention and disposal of data by all organisations

Information is only retained while there is a need to keep it, and destroyed in line with retention schedules, guidelines and Data Protection Legislation.

#### **Individual rights**

Subject Access and other Data Protection requests will be dealt with as follows: In line with information in the Memorandum of Understanding using procedures and ICO guidance.

Any upheld complaints relating to information shared will be notified to any

recipients of the data e.g. a request for rectification or erasure of data.

#### **Technical and organisational measures**

#### **Making Safeguarding Personal**

To do their role effectively, Safeguarding Adults Boards should develop and promote a culture that recognises the underpinning principles from Making Safeguarding Personal (which draw heavily on the principles from the Care Act 2014). Here's how involving people who need care and support can support boards to implement the principles.

#### • Empowerment

People who need care and support should be supported and encouraged to make their own decisions. Safeguarding Adults Boards can ensure this by supporting people who need care and support to get involved in the work of the board, and ensuring their lived experiences contribute to it.

#### Prevention

Organisations should work together to stop abuse or neglect before it happens by raising awareness of it, training staff and ensuring information about where to get help is accessible and easy to understand.

Safeguarding Adults Boards should include people from different communities and in different roles, to ensure the safeguarding message is widely heard and understood. They should also use language that is jargon free and work with people who need care and support to ensure that information is easy to understand.

#### Proportionality

When dealing with abuse or neglect, services should ensure that they think about the risk and what's best for the person, and only get involved where needed – this ensures that they take a proportionate and the least intrusive response to the issue.

Safeguarding Adults Boards should involve people who need care and support in their work, including quality assurance, to help them understand balancing and managing risk.

#### Protection

Organisations must ensure that they know what to do when abuse has happened. For this to happen, the wider community needs to understand what abuse is and how they can support people to report it. People who need care and support and advocacy groups can help Safeguarding Adults Boards to raise awareness in the community.

#### Partnership

Organisations should work in partnership with each other and their local communities to prevent, detect and report abuse.

Safeguarding Adults Boards should work with people who need care and support, local people, advocates and community groups in its decision making. This will ensure effective partnership working that's built on strong and trusting relationships.

#### Accountability

Safeguarding is everyone's business and everyone (individuals, services and organisations) should be accountable. This also means that everyone needs to be clear about their roles and responsibilities.

Safeguarding Adults Boards should involve people who need care and support across their work, rather than 'tokenistic' involvement or on specific small projects. This ensures that their work is both transparent and accountable.

#### **The Nolan Principles**

#### Selflessness

To serve only the public interest and never improperly confer an advantage or disadvantage on any person.

#### Integrity

Not to place themselves in situations where their integrity may be questioned, should not behave improperly and should on all occasions avoid the appearance of such behaviour.

#### **Objectivity**

Make decisions on merit, including when making appointments, awarding Contracts or recommending individuals for rewards or benefits.

#### Accountability

To be accountable to the public for their actions and the manner in which they carry out their responsibilities and should co-operate fully and honestly with any scrutiny appropriate to their Office.

#### **Openness**

To be as open as possible about their actions and those of the Council and should be prepared to give reasons for those actions.

#### Honesty

Not to place themselves in situations where their honesty may be questioned, should not behave improperly and should, on all occasions, avoid the appearance of such behaviour.

#### Leadership

Should promote and support these principles by leadership and by example and should always act in a way that secures or preserves public confidence.

#### Rochdale Borough Safeguarding Adult Board Summary.

#### **Rochdale Borough Safeguarding Adults Board - RBSAB**

#### The Safeguarding Board

The Safeguarding Adult Board is led by three Statutory Partners from Adult Social Care, the NHS ICB (HMR) and GMP (District) with the support of all partner agencies and members to the SAB. The SAB meet five times a year.
